

Lifting & Hoisting

Chain Blocks

50t Heavy Weight Chain Block

With powerful lifting capacities and engineered to meet the toughest industrial applications, our durable 50t heavy weight chain block is built to handle the most demanding lifting operations, whilst ensuring worker safety and efficiency.

Capacity:
50.0t

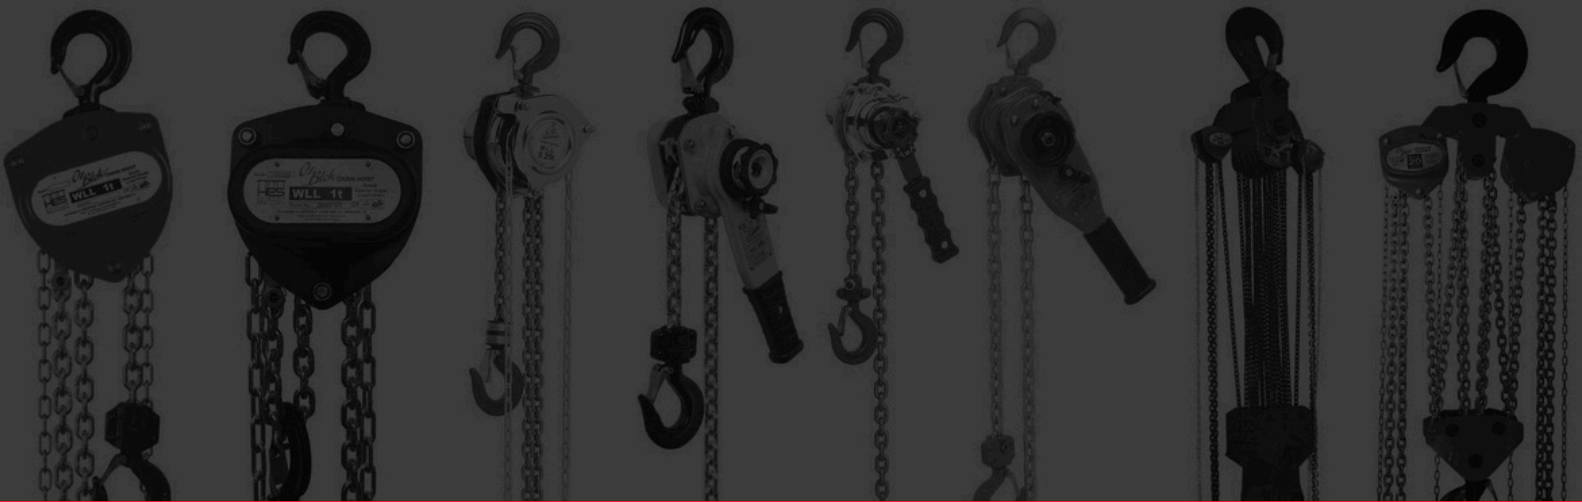

Applications:
Construction, Heavy Engineering, Manufacturing, Mining, Offshore Exploration.

Complies with:
AS/NZS1418

Product Features

- Factory tested to 1.5 x W.L.L.
- Super strength zinc plated alloy load chain.
- Lower hook complete with thrust race bearing.
- Fully machined lift wheel, supported by needle roller bearings.
- Weather protected automatic Weston brake with unique Twin Pawls.
